TEMPORARY CLOSURE OF HOTEL OPERATIONS

Naivasha, Friday, 27th March, 2020

Dear All,

Over the last few weeks, we have all witnessed the impact of the COVID-19 pandemic globally and the effects on our lives. Our world continues to change, but our commitment to you remains the same. We have always prioritised delivering quality service with the health and safety of our guests and staff being of paramount importance.

As our responsibility to be part of the national solution to stop the spread of the Coronavirus, we have taken the difficult decision to temporarily suspend all our hotel operations from Friday, 27th March, 2020 until further notice. We don't know how long this pandemic will last, but we will continue to monitor the developments and updates from the Government of Kenya.

On behalf of everyone at Enashipai Resort and Spa, I would like to thank you for your continued support during this challenging time and trust that you understand our decision.

I pray that you and your loved ones stay safe and remain healthy.

Sincerely,
