EDITOR’S NOTE

Welcome to this edition of Ilomon celebrating the soul of Enashipai Resort & Spa - where modern luxury dances with ancient Maasai traditions. As you turn these pages, you’ll discover more than just a destination; you’ll encounter a living story woven from the threads of history, culture, and breathtaking natural beauty.

This issue is particularly close to my heart as we explore how a 1926 hydroplane rest house transformed into today’s award-winning resort. Through these stories, you’ll feel the pulse of the Wave Nightclub, touch the intricate beadwork that adorns our spaces, and connect with the living culture preserved in our Maa Museum.

What makes Enashipai truly special is more than just what we have built, but what we honour - the land, the people, and the traditions that make this corner of the Rift Valley magical. Whether you are joining us for the first time or returning to these pages, we hope you will find inspiration in how the past and present harmonize here.

May your journey through this edition bring you happiness.

Warmly,

Amy Wambui
Head of Sales and Marketing

Sustainability, thrill and more...#WRC2025

We are proud to have collaborated with KenGen and the WRC Safari Rally 2025, an event that has not only placed Naivasha on the global stage but also aligns seamlessly with our commitment to sustainability and community impact.

This year marked a new milestone as we supported the newly launched KenGen Geothermal Stage, a groundbreaking initiative that showcased Kenya's leadership in renewable energy. Through this partnership, Enashipai harnessed clean geothermal power for its hospitality operations, reinforcing our dedication to reducing our carbon footprint while enhancing guest experiences.

The synergy between sustainable energy production and premium hospitality was not just a win for Enashipai but a victory for the Naivasha community and Kenya's hospitality industry. As the Safari Rally drew spectators from across the globe, it served as a catalyst for tourism growth and economic opportunities. By embracing green initiatives, we contributed to a future where tourism thrives in harmony with nature.

Reflecting on this impactful event, we are proud to have played a role in driving positive change. As Helen Keller famously said, "Alone, we can do so little; together, we can do so much." At Enashipai, we remain dedicated to sustainability—one initiative at a time.

In the sporting world, success is fueled by passion, preparation, and the right support. Enashipai was proud to sponsor Team Heels on Wheels, led by **Linet Ayuko** and **Pauline Sheghu**, at the Safari Rally, one of the toughest motorsport events globally.

The team finished **11th overall** in the NR4 class—a remarkable achievement that highlights their skill and determination. Motorsport has long been male-dominated, but Linet and Pauline are **breaking barriers** and inspiring the next generation. Their success is a testament to the grit, perseverance, and excellence required to compete at the highest levels of the sport.

For Enashipai, this partnership went beyond just the race. We provided a haven of comfort and rejuvenation, ensuring the team had the best hospitality experience, from tranquil nights to revitalizing spa treatments. Our goal was to create an environment where they could **rest, recharge, and be race ready**.

Their journey demonstrates the impact of strategic partnerships, proving that when passion meets opportunity, extraordinary results follow.

We celebrate Linet and Pauline for their remarkable performance and look forward to witnessing more milestones from Team Heels on Wheels. Their story is one of strength, ambition, and breaking the glass ceiling—values we hold close at Enashipai.

MEET THE GUEST

Symon Mwanzia - Creative Digital & Production Lead, The Arts Group

What made you choose our resort for booking your clients?

The facilities and the scenery. Enashipai has one of the best trails that seamlessly integrates with the guest facilities available at the property. Whether it's a conference or a short vacation away from the city you get a relaxing feeling that makes the stay worthwhile.

Could you describe the type of guest who typically books with us?

One that appreciates great service and nature. You have to see the value of staying at Enashipai compared to other hotels. I would say anyone who likes to work hard and play hard.

What do you think sets our resort apart from others in the area?

The team, they are absolutely helpful and friendly. They complement the hotel facilities and rooms; they are good.

What is your favourite feature or amenity at the resort, and why?

From a business perspective, the Entumo conference facility is perfectly designed to host events and meetings. From a leisure perspective, the rooms, the pool cause of the kids and the events garden by the lake.

Can you share a memorable experience you've had while working with our team or booking for clients here?

There are quite a number; we hosted the RAK conference in 2023 & 2024. The team were and are still amazing. Another memory was back in 2016 when we hosted our first week-long conference at Entumo and capped the event with a starlit gala dinner and award ceremony for Canon Africa. It was truly something.

What feedback do your clients give after staying at our resort?

Mostly positive. We normally have daily debriefs with our clients and with the hotel when we host guests at the resort. What I would say is it's all about improvement and progress as opposed to perfection. We are part of an experiential sector so every day new challenges arise and expectations shift with the next event.

How does our resort cater to the diverse needs of travellers?

I believe it covers all the key experiences. It's a well-balanced offering that offers both business and leisure benefits that a traveller whether local or international will appreciate and enjoy.

Have you discovered any unique activities or experiences at the resort that you think guests shouldn't miss?

I have seen some electric scooters. I need to try one.

What is the most common reason your clients return to our resort or recommend it to others?

The service and the ever-smiling team (Matilda at Entumo, and Amy & Fatma at Head Office). And I have to mention the food, iko sawa kabisa!

How does our resort enhance the overall holiday experience for your guests?

The resort truly immerses you in Maa Culture, you can see it in the decor, it is a nod to one of the most iconic tribes in Africa.

BUILT ON HISTORY, LOVED AS HOME

The Story Behind Enashipai Resort and Spa

Nestled in the heart of Kenya’s Great Rift Valley, Enashipai Resort and Spa is a sanctuary where modern luxury meets ancient heritage. Our story begins in **1926**, with a historic house that welcomed international guests during the hydroplane era, a time when aircraft landed on the serene waters of Lake Naivasha. This house, a symbol of hospitality, laid the foundation for what would become today’s world-class resort.

In **2008**, the property opened as Lake Naivasha Holiday Inn, offering travellers a tranquil escape amidst the Rift Valley’s breathtaking scenery. The founders however, envisioned something more, a resort that would honour both the region’s natural beauty and the vibrant cultural heritage of the Maasai people.

In **2011**, the resort underwent a comprehensive redesign and rebranding, emerging as Enashipai, meaning “a place of happiness” in Maa.

The transformation was spectacular. The resort’s design now reflects the vibrant culture of the Maasai, with beadwork-inspired headboards, seats resembling traditional necklaces, and artifacts displayed throughout the property. Every detail tells a story, creating a seamless blend of modern comfort and timeless culture.

Enashipai's commitment to culture deepened with the establishment of the Maa Museum, the first private museum registered after consultations with the Attorney General's office. This museum serves as a cultural hub, preserving and celebrating Maasai traditions for future generations.

Today, Enashipai is a multi-award-winning destination known for its authentic African hospitality, focus on wellness, and sustainability practices. From solar water heating to the water recycling plant, the resort operates in harmony with its environment. It also engages with the local community, supporting initiatives like a special needs center and a school library.

Set on the shores of Lake Naivasha, Enashipai offers a gateway to the Rift Valley's wonders. Guests can explore Hell's Gate National Park, hike Mt Longonot, or simply relax and soak in the resort's serene beauty.

Enashipai is more than a resort, it's a place where history, culture, and innovation converge, creating unforgettable experiences for every guest. It's a testament to the power of a vision, a celebration of heritage, and, above all, a place of happiness.

CHRISTMAS CELEBRATION

It was a Tropical Christmas at Enashipai in 2024 and it was a blast!

NEW YEAR CELEBRATION

A quick snapshot of New Years Party 2024

INTERNATIONAL WOMEN’S DAY 2025

How did it go?
Gender equality isn’t just an aspiration, it’s an urgent call to action.

This year’s International Women’s Day theme, #AccelerateAction, challenged us to move beyond conversations and take meaningful steps toward empowering women in the workplace and beyond.

To mark the occasion, we gathered all our female employees for an inspiring seminar led by Nthenya, whose insights left a lasting impact on our team. She guided us through the 7 Ls; powerful lessons for personal and professional growth:

- Live – Life is not a rehearsal. Don’t wait.
- Laugh – Laughter is medicine; it revives the soul.
- Love – Love yourself.
- Listen – To your body, to others, and to God.
- Let go – Release the past and move forward.
- Labour – Put in the time and effort it takes.

Her message was clear: while progress has been made, at the current pace, full gender parity is still half century away, a reality we cannot accept. Change must happen in our lifetime, and it starts with us.

At Enashipai, we are committed to fostering a culture where women thrive, through equal opportunities, mentorship, and leadership development.

IWD is not just a day; it’s a movement. As we embrace this year’s theme, we reaffirm our commitment to driving real change, not just for the women of Enashipai, but for generations to come.

Let’s keep pushing forward. Let’s Accelerate Action.

INTERNATIONAL WOMEN’S DAY 2025

Terry - March 2025

It is a perfect hotel, simply because the systems work and are convenient. Such a homely feel. A great place for business, family vacations and romantic getaways. I was impressed by how fast things are address by the staff; IT, room service, the restaurants. They make everything run smoothly and take away any frustration from the client. I was truly impressed.

Karanja N - March 2025

Great experience all round, services and facilities are top notch :-). Staff extremely courteous and helpful. Meals are great. The natural ambience is quite serene and relaxing - the bushes, trees, birds ... an experience out of the ordinary. Would gladly visit again and again!

Dolphine Moindi - January 2025

I recently stayed at Enashipai for a weekend getaway, and it exceeded my expectations! The location is unbeatable. From the moment we arrived, the staff was incredibly warm and attentive. They went above and beyond to make sure we felt welcomed. The check-in process was smooth.

The room itself was spotless, spacious, and well-designed. We also took advantage of the restaurant and were pleasantly surprised. The breakfast buffet had a wide variety of delicious options, and the dinner was equally impressive. The chef clearly takes pride in the menu.

Lastly, Siyara spa and salon area was a perfect retreat after a day of exploring. The facilities were clean, and the staff there was also friendly and professional. Peter and team.

Overall, this hotel offers great value for the price, and I can't recommend it enough. We felt pampered the entire time and will definitely be returning!

The location is amazing but it is the staff that make this resort so incredible. The grounds are beautiful with a lot of different species of birds. A quick boat trip to Crescent Island affords an amazing experience with zebras, giraffes, monkeys, wildebeests, and more.

I stayed in the Executive Fountain rooms which offered a view of the fountain, large beautiful room, balcony, additional open concept shower (open ceiling so you can see the stars at night or birds flying over during the day)

This property is perfect for conference needs in terms of amenities, venues and the incredible staff that work here
