CELEBRATE WITH US

It's always a celebration at Enashipai, and as we end the year we truly have a lot to celebrate.

MAASAI CULTURE

What about it?

Imagine stepping into a world where the echoes of traditional Maasai chants blend seamlessly with the luxury and tranquility of a modern resort, a place where every element is steeped in the rich heritage of the Maasai people, offering an unforgettable journey through culture and tradition.

Deep Roots in Maasai Culture

From the moment you arrive, Enashipai's connection to the Maasai culture is palpable. The resort's name, "Enashipai," means "a place of happiness" in Maasai, setting the tone for the cultural immersion that awaits. Walking through the beautifully landscaped gardens, you'll notice the intricate Maasai beadwork adorning various structures, a testament to the skilled artisans whose craftsmanship tells stories of their ancestors.

Architectural and Artistic Expressions

Your stay begins in one of the executive rooms where modern amenities meet Maasai aesthetics. Each room features a signature Maasai necklace headboard, intricately designed with vibrant textures that reflect traditional Maasai patterns. The colours—rich reds, striking blacks, and ivory whites—mirror the attire worn by Maasai warriors, creating an authentic and visually stunning ambience.

Cultural Experiences and Activities

The heart of your cultural journey lies in the experiences curated by the resort. Enashipai offers a variety of activities designed to immerse guests in Maasai traditions. Daytime excursions to the **Maa Museum** (first private Museum), located within the resort, provide a deeper understanding of Maasai history and culture. Here, you'll explore an impressive collection of artifacts, from traditional clothing and tools to captivating photographs that document the Maasai way of life. Each exhibit offers a glimpse into the resilience and vibrancy of the Maasai people, making the museum a cornerstone of your cultural exploration.

Culinary Delights

No cultural journey is complete without savouring the local cuisine. At Enashipai, the dining experience is a celebration of Maasai culinary traditions and so much more. The resort's chefs craft dishes using locally sourced ingredients, offering a modern twist on traditional flavours.

Imagine enjoying a meal of *nyama choma* (roasted meat) and hearty stews, each bite connecting you to the land and its people. The meals are not just sustenance; they are a tribute to the Maasai's deep-rooted connection to nature and their environment.

Your stay will be filled with more than just memories of luxury and relaxation. You'll carry with you the stories, traditions, and spirit of the Maasai people. Enashipai is not just a destination; it's a journey into the heart of Maasai culture, where happiness is found in the harmony of past and present.

THE ONE BEDROOM SUITE

Is it for family? Is it for couples?

The answer is both. Our one-bedroom suite offers a perfect blend of comfort and luxury, designed to cater to both couples on vacation or honeymoon, and families seeking a serene retreat in Naivasha.

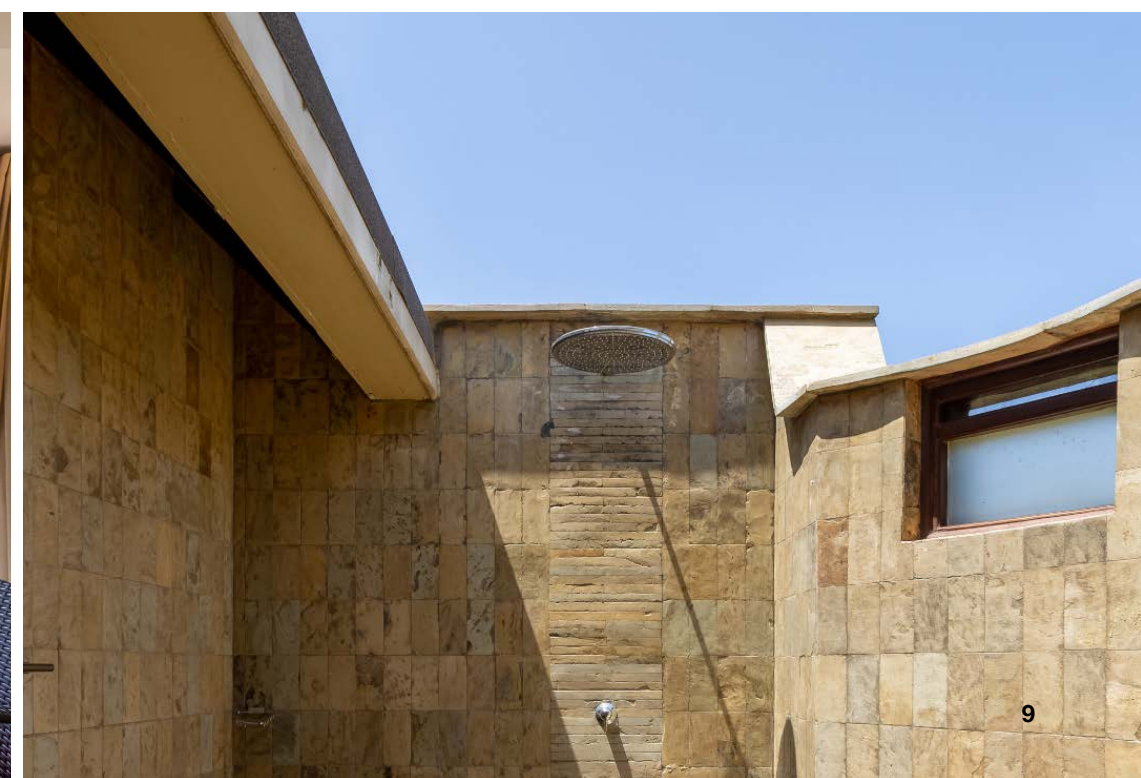

The suite features a spacious layout with a **private lounge** and **dining area**, providing ample space for relaxation and gatherings. Whether you're unwinding with your partner or spending quality time with family or celebrating your honeymoon, the suite offers a cozy atmosphere that feels like a home away from home.

For those who enjoy the convenience of **self-catering**, the suite includes a **well-equipped kitchenette**, allowing you to prepare meals at leisure. It's an ideal option for guests who prefer flexibility in dining choices during their stay.

One of the standout features of the one-bedroom suite is its intimate setting. With tasteful furnishings and décor reflecting the Maasai heritage. The highlight being the **outdoor shower under the stars**. It offers a unique and refreshing bathing experience, blending nature with comfort in a private setting.

MEET THE GUEST

Sarah & Simon Kabu - Founders Bonfire Adventures

Meet Sarah and Simon Kabu, the founders of Bonfire Adventures and one of our travel partners for 10 years.

Q: Can you share with us the story behind the founding of Bonfire Adventures? What inspired you to start this business?

A: Absolutely! The story of Bonfire Adventures is quite close to our hearts. It all began in 2008, at Maasai Mara Game Reserve. My wife, Sarah, and I were sitting by a bonfire, discussing our dreams. With only Sh20,000 in our pockets, we realized we had a shared vision: to make adventurous travel experiences more accessible and enjoyable for people. Our passion for travel and discovery, combined with a desire to share these moments with others, ignited our journey.

Q: Aside from travel, what other passions or interests do you have that influence your approach to business and leadership?

A: Our love for customer service and entrepreneurship has been a driving force in our approach to business. Sarah and I are deeply committed to the idea that exceptional service is not just about meeting expectations but about exceeding them in ways that surprise and delight our clients. We're also passionate about fostering innovation and creativity, which helps us stay ahead in the travel industry. Our goal is always to put our clients first, ensuring their needs are met with the highest level of care and attention. This dedication to service and leadership is what keeps us motivated and inspired every day.

Q: Could you share a success story or memorable feedback from clients who experienced both Bonfire's services and Enashipai's hospitality?

A: One story that stands out is from a family who booked a trip through us and stayed at Enashipai Resort. They were overjoyed with the seamless coordination between our travel services and the resort's hospitality. They described their stay as "a dream come true," praising the way our team had planned every detail to ensure their trip was flawless. The personalized touch at Enashipai, from the warm welcome to the luxurious accommodation, truly exceeded their expectations. Their feedback was heartwarming, as they highlighted not just the high standards of service but also the genuine care and attention to their individual preferences that made their vacation unforgettable.

Q: How does Bonfire Adventures ensure that guests who book through your agency and stay at our resort have a seamless and memorable experience?

A: At Bonfire Adventures, we take a hands-on approach to ensure every guest's experience is smooth and memorable. We start by customizing each travel itinerary to align with our clients' preferences and needs. Our team maintains constant communication with Enashipai Resort to coordinate all aspects of the stay, ensuring that everything from transportation to special requests is handled seamlessly. Additionally, we provide round-the-clock support throughout the trip to address any issues that might arise. Our goal is to ensure that every guest enjoys a worry-free and extraordinary experience from start to finish.

Q: How do the values and ethos of Bonfire Adventures align with those of Enashipai Resort and Spa, particularly in terms of sustainability, luxury, or personalized service?

A: Our values are deeply aligned with those of Enashipai Resort. Both Bonfire Adventures and Enashipai are committed to sustainability, luxury, and a personalized approach to service. We believe in creating high-quality experiences that respect and preserve the environment while providing exceptional comfort and care. Enashipai's dedication to eco-conscious practices and tailored service perfectly complements our own ethos. EMBRACING WELLNESS & AN ACTIVE LIFESTYLE

Getting those steps in?

It's only fair that I introduce the Wildathon bike and run challenge event to you.

What is the Wildathon bike and run challenge?

Well, Wildathon bike and run challenge is an annual event by Enashipai Resort and Spa that first happened in 2023 where we had the first edition. Wildathon is a signature outdoor event seeking to not only showcase Naivasha as a premier hiking and biking destination but also to promote road safety, health, wellness and the benefits of an active lifestyle.

On 1st June 2024 we hit the trail for the second edition, against the breathtaking backdrop of Kedong Ranch in Naivasha, Kenya, amidst the captivating scenery of common zebras grazing and Maasai giraffes majestically roaming nearby. This event was not just about fitness and wellness but also embraced the natural beauty and wildlife that make Naivasha a unique destination for outdoor activities.

Participants started arriving as early as 6:30 AM, eagerly gathering at the event space and soaking in the fresh morning air. The first flag-off was at 8:30 AM, marking the beginning of a memorable journey through Kedong Ranch's scenic trails. There were various routes catering to different fitness levels: a challenging 50 km cycle, a 21 km cycle and run half marathon, and a leisurely 12 km family walk, run, or cycle. Each route provided glimpses of Kenya's rich wildlife and stunning landscapes, encouraging participants to immerse themselves fully in the beauty of their surroundings.

Among the participants were individuals whose journeys exemplify the spirit of perseverance and determination. Sarah, a dedicated runner from Nairobi, shared her joy at experiencing the event amidst such natural splendor. "Cycling alongside zebras and giraffes was surreal," she exclaimed, reflecting on her transformation from a sedentary lifestyle to an active runner inspired by Kenya's vibrant outdoor culture.

The carefully planned routes meandered through Kedong Ranch's diverse terrain, offering encounters with Kenya's iconic wildlife. As participants navigated the trails, they were treated not only to a physical challenge, but also to a stimulating journey through Kenya's changing landscapes and wildlife habitats, enhancing their appreciation for both fitness and nature.

Check-points were placed along the cycle trails where free bananas and water were provided to ensure everyone stayed hydrated and energized. Bikes were available for hire for anyone who needed them.

The event fostered a sense of community among participants, who cheered each other on and shared in the collective experience of exploring Kenya's natural beauty. Families, friends, and colleagues bonded over their shared passion for health and wellness, creating lasting memories amidst the serene backdrop.

THE RACE VILLAGE

At the heart of the event was the bustling Race Village, where the Siyara Spa team provided free massages to participants after their cycle or run, adding a touch of relaxation to the event. The Race Village also featured a vibrant food court offering a variety of food and drinks to keep participants energized, along with live music that created a lively and festive atmosphere.

Medics and ambulances were on standby in the Race Village to ensure everyone's safety. Vendors, including our main sponsor, Pesapal, added to the vibrant atmosphere, offering participants a place to chill and explore various products and services.

As the sun dipped below the horizon, the festivities continued with live DJ music and an award ceremony where, winners were celebrated with cash prizes, adding to the excitement and competitive spirit of the day.

The Wildathon has become a cherished tradition, embodying Kenya's spirit of resilience, unity, and commitment to wellness. As we look forward to the next event on **31st May 2025**, we remain inspired by the stories of transformation and the shared passion for health that unites our community. We invite you to join us in celebrating health, wellness, and the natural wonders of Kenya at the 2025 Wildathon.

Whether you are an avid athlete, a nature enthusiast, or simply someone seeking to embrace a healthier lifestyle, our event welcomes you to experience the beauty of Kenya and the joy of community. Together, let's continue to journey towards greater wellness and appreciation for the natural world that surrounds us.

Stay active, stay healthy, and we look forward to seeing you at the next Wildathon event.

HERB-CRUSTED LAMB CHOPS WITH RED WINE REDUCTION

Ingredients:

For the lamb chops:

- 8 Lamb chops (about 1-inch thick)
- 2 Tablespoons olive oil
- 1 Tablespoon fresh rosemary, chopped
- 1 Tablespoon fresh thyme, chopped
- 2 Cloves garlic, minced
- Salt and freshly ground black pepper

For the red wine reduction:

- 1 Cup red wine
(Cabernet sauvignon or Merlot works best)
- 1 Cup beef or veal stock
- 1 Shallot, finely chopped
- 1 Clove garlic, minced
- 1 Tablespoon butter
- Salt and freshly ground black pepper

Instructions:

Prepare the lamb chops:

- In a small bowl, mix the olive oil, Rosemary, Thyme, Garlic, salt, and Pepper.
- Rub the mixture all over the lamb chops and let them marinate for at least 30 minutes at room temperature, or up to overnight in the refrigerator.

Make the herb crust:

- In a bowl, combine the breadcrumbs, Parmesan, Parsley, Rosemary, Thyme, Garlic, and olive oil. Mix well.

Cook the lamb chops:

- Preheat the oven to 400°F (200°C).
- Heat a large oven-proof skillet over medium-high heat.
- Sear the Lamb chops for 2-3 minutes on each side until browned.
- Press the herb crust mixture onto one side of each Lamb chop.
- Transfer the skillet to the oven and roast for 10-15 minutes, depending on the desired doneness (internal temperature of 145°F (63°C) for medium-rare).

For the Herb Crust:

- 1/2 cup breadcrumbs (preferably fresh)
- 1/4 cup grated Parmesan cheese
- 2 tablespoons fresh parsley, chopped
- 1 tablespoon fresh rosemary, chopped
- 1 tablespoon fresh thyme, chopped
- 1 clove garlic, minced
- 2 tablespoons olive oil

Prepare the red wine reduction:

- In a small saucepan, sauté the shallot and garlic in butter over medium heat until softened.
- Add the red wine and bring to a boil. Reduce the heat and simmer until the wine is reduced by half.
- Add the beef stock and continue to simmer until the sauce is thickened and coats the back of a spoon.
- Season with salt and pepper to taste.

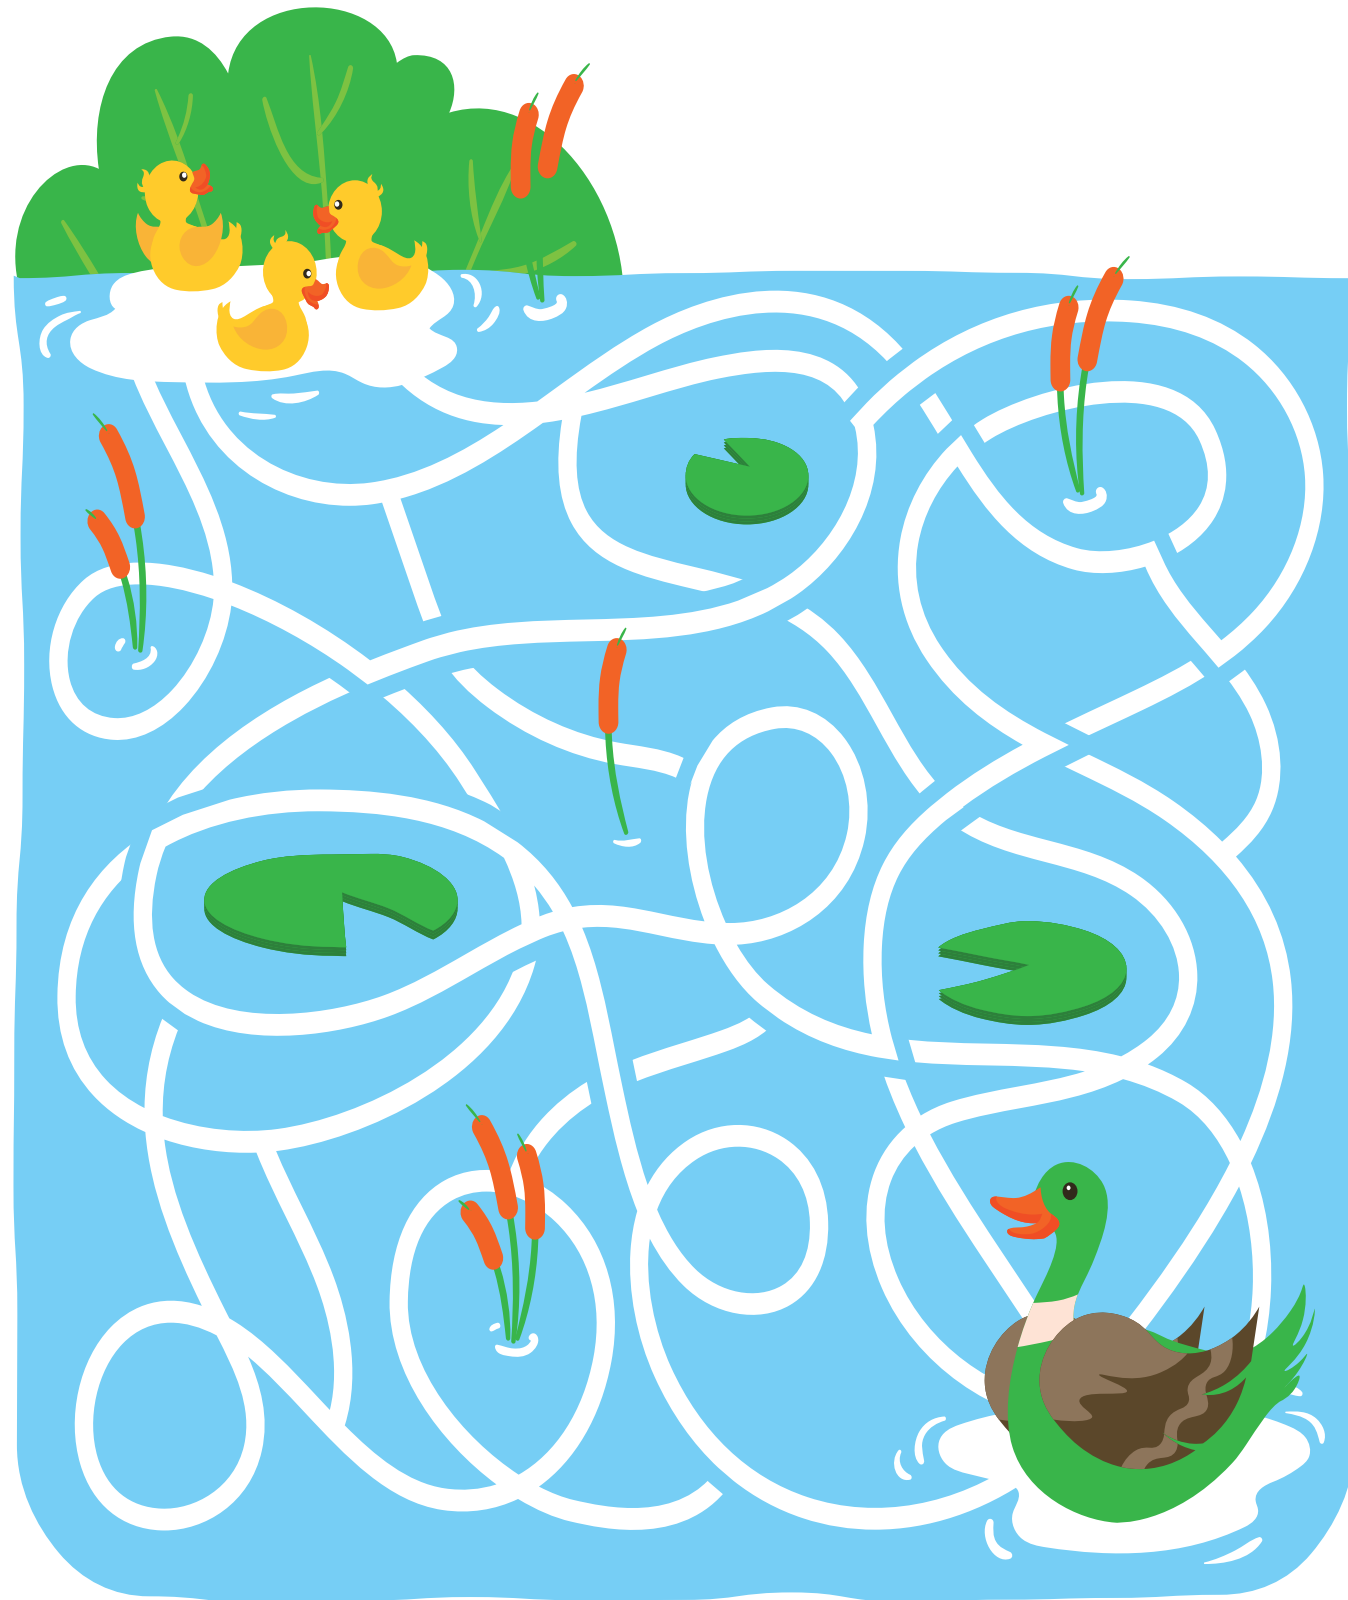

Serve:

- Place the lamb chops on a serving platter.
- Drizzle the red wine reduction over the lamb chops.
- Garnish with fresh herbs and serve with your favorite sides, such as roasted vegetables or mashed potatoes.

I have been here for both business and leisure multiple times.... definitely the best location on Moi South lake road side of Naivasha in terms of quality and standards. It is however on the higher end in terms of price but it is indeed good value for money.

One of the best places we've been in Kenya! Great rooms, food, service and hospitality. The pool and gym are great too! A great place around Lake Naivasha.

I only stayed 1 night on my way to Lake Nakuru. The resort was clean and comfortable. Beds and pillows are comfortable, I slept so well. Beds are surrounded by mosquito nets as there are quite a few mosquitos. Food was good and the staff were so friendly and helpful. I would definitely stay again.

My stay at Enashipai was truly amazing. The grounds are beautiful, serene and green. The rooms are spacious, comfortable, inviting and cosy. The facilities are great and there is something for everyone! But what makes Enashipai truly something special would be the staff. Every single staff member I encountered was incredibly friendly, welcoming, hospitable and kind. The staff go out of their way to help and make your stay as smooth as possible. Truly the best customer service I have ever experienced. I will definitely be returning and also recommending Enashipai to others!

Enashipai is the best resort in Naivasha. Sits by the lake and has great views. I have visited it several time with my family. It's very secure and only one hour to an hour and a half drive from Nairobi. The entire staff is very professional and friendly right from the gate, front office , to room attendants. Their food is also great. We always have a wonderful time and we will keep coming back. Thanks for making me feel welcomed and for always remembering us when we visit .See you soon.

I was one of the first to conduct a workshop at Enashipai when it first opened and the small conference room was semi- built.....so I was amazed to come back 14 years later and to the same at the excellent Entumo conference centre

Staff, facilities, refreshments and audio visual were everything you would expect from a 1st class conf facility. Rooms, food and general environment put the delegates at their ease

Above all a shout out to conf manager Tabitha.....many of those folks hide behind the front line staff in their offices but she is out and about, never far away, super attentive, friendly and will go the extra mile to get the little things done

OUTSTANDING all round from someone who is not easily pleased and must have used 50+ Kenyan conferencing venues
