Enashipai

A Maasai word meaning **“A Place of Happiness!”**

Located within the splendour of the Great Rift Valley and by the shores of Lake Naivasha, Enashipai Resort and Spa is an award-winning leisure and conference destination offering authentic African hospitality focused on wellness. We pride ourselves in curating unique and memorable experiences for our guests.

ARCHITECTURE

The architecture of the resort was inspired by Naivasha's natural beauty, thus creating a real distinct sense of place. Roof-top tiers echo the undulating hills of the surrounding Mau and Aberdare hills. The yellow barked trees give it that unique Naivasha feel and can be seen in the unique trusses that support the roof.

DESIGN

Culturally rich and endowed with nature, Naivasha has many faces and is the source of inspiration for Enashipai's decor. With lovely afro chic interiors, our rooms house the signature Maasai necklace headboards that are a copyright to Enashipai.

All around the hotel you will notice beautiful artworks and interior touches inspired by Kenyan artists.

WE CARE

ENASHIPAI GOING GREEN FOR A BETTER WORLD

GOING GREEN

For a better world

Environmental sustainability is at the forefront of Enashipai Resort & Spa's values with the aim of promoting sustainable tourism. Our eco-friendly approach remains an integral component of our culture and is slowly becoming a standard at our property.

WE CARE

ENASHIPAI IN THE COMMUNITY: #SHARELOVE" CAMPAIGN

Enashipai Resort and Spa teamed up with a UBUNTU Special Needs Centre, in Naivasha, to launch a campaign in support of the organization's goal to combat stigma and injustice by providing therapy, education and vocational training for children with special needs.

The goal was to rally financial support from well-wishers to provide therapy equipment, clothing, food items and library books. The resort's Christmas campaign was centered along the theme dubbed "#ShareLove".

WE CARE

ENASHIPAI IN THE COMMUNITY: THE J.K MWANGI LIBRARY

We ran a campaign through our guest network dubbed “Donate a Book – Build a Library!”

To date, we handed over a fully equipped library to Mirera Primary School thanks to a successful partnership between our guests and our partners. The library was named after our late Chairman J.K.Mwangi as he was an avid supporter of education and was instrumental in mobilizing the hotel to commit resources and engage partners. In addition to the Hotel’s sponsorship, we partnered with Story Moja, Moja Tu, Shah Timber and The Nobility Project to make this library a reality.

The Enashipai scholarship fund partnership with Moja Tu catered to 20+ students on full high school scholarships, with an active mentorship program and life support skills included.
