

A close-up photograph of two lit candles in a red tray. The foreground features a white candle and a red candle, both with flames. The tray is filled with dried botanicals, including what appears to be a fan-shaped dried herb. In the background, another wooden tray contains a mix of colorful flower petals. The lighting is warm and focused on the candles, creating a relaxing atmosphere.

it's the little things

Welcome to time spent on you

The word 'Siyara' is a Swahili word meaning 'nature'.

Whether you have time for a full day of rejuvenation or just a few hours to refresh, Siyara's holistic selection of spa experiences amidst sensational surroundings promises complete wellbeing and serenity

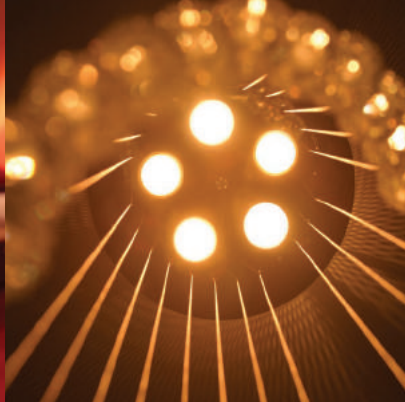

True to our essence, we use an all natural product line Healing Earth® - a premium organic spa brand inspired by Africa's ancient energy, healing tradition and natural richness.

Let our experienced therapists assist you in selecting from a choice of spa rituals that will help you unwind & relax, restore & detox or elevate & invigorate.
