Rediscover Meetings

Entumo Conference Centre at Enashipai is the quintessential meeting planners venue as it blends one of East Africa's largest meeting facilities with Kenya's leading Spa Resort in one unique location.

Be it an international convention, a large corporate function, or an intimate private event - Entumo features a wide range of versatile meeting rooms backed by professional service staff. We have worked on ways of safely getting back to hosting and delivering events with additional state-of-the-art technology to ensure we provide creative and seamless virtual/hybrid meetings that will keep our guests connected - now more than ever.

In addition, you will have a variety of indulgently spacious accommodation to choose from, lovely landscaped gardens where we can host tented meetings and active team building sessions and a host of leisure activities, completing the offer of a world-class meeting destination.

Depending on your specific meeting or event requirements, our facility can be used as a convention centre, a grand ballroom or as several smaller meeting rooms. With a seating capacity of over 500 people, we will more than adequately cater to your needs.

For event planners who want a little extra in their meeting itinerary, we are located within easy reach of popular tourist destinations like Hells Gate National Park, Mount Longonot, Lake Naivasha, and the game-rich Nakuru National Park.
