Rediscover A Place of Happiness

Enashipai - *A Maasai word meaning 'A place of happiness'.*

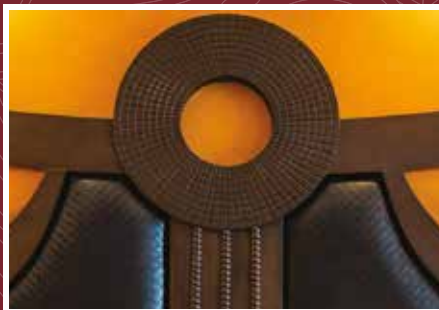

Located within the splendour of the Great Rift Valley and by the shores of Lake Naivasha, Enashipai Resort and Spa is an award-winning leisure and conference destination offering authentic African hospitality focused on wellness. We pride ourselves in curating unique and memorable experiences for our guests.

Comfort & Luxury

Culturally rich and endowed with nature, Naivasha has many faces and is the source of inspiration for Enashipai's decor. Here, a strong local Maasai heritage is blended with upscale accommodation and then delivered with a generous sense of warmth.

Our rooms are indulgently spacious and comfortable, offering sweeping views of the surrounding hills or lush tropical gardens spilling over their banks. Upscale comforts such as wireless Internet, minibars, and flat-screen TVs with premium entertainment channels are also available.

Rediscover Wellness

The word ‘**Siyara**’ is a Swahili word meaning ‘nature’.

Whether you have time for a full day of rejuvenation or just a few hours to refresh, Siyara’s holistic selection of spa experiences amidst sensational surroundings promises complete wellbeing and serenity.

Let our experienced therapists assist you in selecting from a choice of spa treatments that will help you unwind, restore and detox or elevate and invigorate.

Wine & Dine

Let our Chefs at **Senteu Restaurant** introduce you to the best Kenyan and international cuisines.

Sample the very best of Kenyan Coffee curled up with a good book or in the company of friends in our intimately warm **Coffee Lounge**.

Set under the oldest acacia trees in the resort, **Oltepesi Bar** is the ideal spot for sundowners. Here, you can enjoy easy evenings with friends while sampling one of the widest selections of fine drinks from all over the world.
